

# SHARBA HOMES BARFORD - PUBLIC EXHIBITION

Monday 14 July 2008

## **Thank you for coming along to the exhibition today.**

In 2005 The Barford Parish Plan identified this land for the development of public open space, community use and a mix of housing. Sharba Homes have a contract with the land owners and would now like to progress a scheme through Warwick District Council's Local Development Framework.

## **Tell us what you think:**

Sharba Homes and their project team are keen to hear your views about a future development on this site. In particular what benefits do you think such a development could bring to the village e.g in helping meet local housing needs or providing community facilities or other amenities for the village. Are there issues or concerns you feel the team should be aware of as they progress their plans.

Please fill in this comment form and either post in the box provided or return by post or fax to Avril Baker Consultancy at the address overleaf:

**If you wish to be kept informed about the progress of the project please provide clear contact details.**

## **Q1. Do you generally support the principle of redeveloping this site (please tick one of the boxes below)**
