

SHARBA HOMES - BARFORD

Public Exhibition - Monday 29 September 2008

Thank you for coming along to the exhibition today

In July, Sharba Homes and their project team held a drop-in exhibition so that members of the village and other interested parties could contribute their initial thoughts and ideas about a possible development of a site on Wellesbourne Road, next to Barford House.

Please tell us what you think

On display is a summary of the results of the first consultation and how Sharba Homes and their team have responded to issues raised. The team has also prepared a worked up proposal for the redevelopment of this site, incorporating many of the comments, suggestions & ideas received last time.
