| 20 | 3 | 1 | For | |

General Comments:

See Lawns as a good design

"We would expect the proposed development to pick up on the strong door and window features of the chosen properties to fit in with the current styles"

"We would like to see an increase in Georgian style properties"

Classic styles

"Liked venerated properties & cottage style & courtyard designs to fit in with existing properties within the village"

A mix of all Barford styles - this is the only way to achieve a cohesive whole.

Have a look at Chichesters recent developments!

Add some colours and different kind of bricks

Nothing to grand!

Different colours and more character

Mixture of styles is what makes Barford interesting!

Keep the charm and use different styles - like Georgian

Village type properties that could be adopted to today's requirements
